

Amine Alliche

Graphic Designer

Summary

Hi, I'm Amine Alliche, a graphic designer with a passion for creating visually appealing and effective designs. I specialize in Social Media Design. In my spare time, I volunteer my design skills to several scientific clubs, including Forma Club, Openminds Club, and BioScience Club. I love being able to use my skills to support important causes and make a difference in the community. I enjoy sharing my professional experiences on social media and connecting with other designers and creatives. Let's create something amazing together!
